Email Account Settings are not Savings When Editing a WP Ultimo / WP Multisite WaaS Plan, Membership or Site

Troubleshooting · https://wpemailmanager.com/docs/email-account-settings-are-not-savings-when-editing-a-wp-ultimo-plan-membership-or-site/

This issue occurs when the sunrise.php file is not updated correctly. To resolve this issue, please ensure that:

1. You are using WP Ultimo / WP Multisite WaaS version 2.0.4 +.
2. You are using WP Email Manager version 1.0.6.5 +
3. Your sunrise.php file is setup correctly. Learn more here.
