HestiaCP Requirements

HestiaCP · https://wpemailmanager.com/docs/hestiacp-requirements/

For WP Email Manager to integrate with HestiaCP, ensure that the following conditions are met:

1. You are a system administrator. HestiaCP's API is only accessible by administrators. Learn more here (developer documentation).
2. You have enabled API access in HestiaCP and your WordPress server's IP is allowed in the HestiaCP's allowed IP addresses for API list. Learn more.

HestiaCP's Allowed IP addresses for API
